REGISTER

“The ID Register is nothing short of a revolution for the investor onboarding process in the private funds market.”

Jason Ment, Partner, StepStone.

The ID Register makes investor onboarding quicker, easier and more cost effective. If you are launching a new fund and need to comply with regulatory reporting requirements such as FATCA and CRS for your existing funds, The ID Register can help you.

- Better investor experience
- Faster fund launch
- Easy onboarding
- Handle larger transactions without any delay in submission or review of KYC documents
- Maintain a single form for all of your clients' investments without having to repeat KYC requests
- Meet multi-jurisdictional regulatory requirements
- Universal Subscription Questionnaire (USQ) provides standardised investor onboarding
- Secure 24x7 online access

The ID Register provides onboarding services to GPs. We currently support over 140 GPs and 15,000 LPs. Our dedicated onboarding team follows a structured process including: migration of structures, investors and investor communications.
