*“The ID Register is nothing short of a revolution for the investor onboarding process in the private funds market.”*

Jason Ment, Partner, StepStone.

The ID Register makes it quicker, easier and more cost effective for individual investors to maintain a current profile. The Universal Subscription Questionnaire (USQ) creates a single KYC profile for fund subscription with multiple GPs and FATCA/CRS reporting. Complete your KYC profile **once**.

- Control who accesses your information
- Minimise the hassle of KYC and FATCA with one comprehensive profile
- Share your profile securely with GPs and lawyers for all your investments
- Meets multi-jurisdictional FATF standards
- 24x7 online access

The ID Register helps investors by:

- Keeping your live profile compliant using real time sanctions screening
- Keeping you and your GPs updated with any changes to your profile
